BOARD OPERATIONAL GOALS

The Board is responsible to the people for whose benefit the school district has been established, and committed to the education of all students as appropriate to the best of their individual abilities. It is charged with accomplishing this while also being responsible for wise management of resources available to the district. By virtue of its responsibility and commitment the Board must establish those purposes, programs, and procedures that will respond to the district's immediate problems and long-range needs.

The Board must fulfill these responsibilities by functioning primarily as a legislative body to formulate and adopt policy, by selecting an executive officer to implement policy and by evaluating the results. Further, it must carry out its functions openly, while seeking the involvement and contributions of public, students and staff in its decision-making processes.

Additionally, the Board commits itself to the following objectives:

1. To interpret the educational needs and aspirations of the community, and to meet them through the formulation of policies that stimulate the learner and the learning process;
2. To continually evaluate the district's educational goals and their implementation in the district schools;
3. To formulate a sound fiscal policy in the interests of fiscal economy;
4. To provide the superintendent with sufficient and adequate guidelines to effectively carry out the goals and objectives of the school district;
5. To maintain effective communication with the public served by the schools, and with staff and students in order to maintain awareness of attitudes, opinions, desires and ideas.

BOARD MEMBER CODE OF ETHICS

Members of the District's Board of Education recognize that they are state officials of local government, elected to provide public education to the children in their communities. Members understand that alone, they have no authority – but convened as a board at a legal meeting, they provide governance to the district and strive to improve student achievement.

In working to do so, the following standards of conduct will serve as a guide for the official conduct of Board members:

1. I will consider myself a trustee of public education and will do my best to provide children in my community with high quality educational opportunities.
2. I will recognize that the responsibility of the school board is to govern the District and forward its visions and goals by establishing effective policies, planning and appraisal.
3. I will practice good stewardship of the District's resources.
4. I will encourage community stakeholders to be engaged in public education and supportive of their students and schools.
5. I will leave the daily administration of schools to the Superintendent.
6. I will respect the privileged communications from executive sessions and other administrative sources, and will not discuss confidential business of the Board at home, on the street or at work.
7. I will keep myself informed about education issues, through individual study and professional development, in an effort to become a more effective board member.
8. I will express my honest and thoughtful opinions at board meetings and will listen to the opinions of other board members.
9. I will make no disparaging remarks, in or out of the board meeting, against board members or their opinions.

10. I will refuse to use my position as a board member for personal gain or the gain of special interests or partisan politics.
11. I will render decisions only after I have discussed matters with board members, reviewed applicable data, and considered recommendations from the Superintendent and community members – once a majority vote has been reached, I will support Board decisions.
12. I will support the administration in hiring the most competent and best-trained personnel available as recommended by the Superintendent, and will support them in the performance of their duties.
13. I will refer complaints, including personal criticism, to the Superintendent. Only after the failure of administrative solution will I discuss the matter at a board meeting.
14. I will observe and enforce school district, state and federal laws and regulations.
15. I will remember that my first and greatest concern is the educational welfare of all students attending the District's schools.

BOARD MEMBER CONFLICT OF INTEREST

DISTRICT OFFICIAL CONFLICT OF INTEREST

CONFLICT DISCLOSURE AND AUTHORIZATION

This policy requires Arlington School District Officials to disclose interests in, or direct benefits from a District contract, when the amount of interest or benefit is more than \$5,000 within a 12 month period. Additionally, such direct benefits are prohibited unless the board authorizes a waiver.

DEFINITIONS:

1. "District Official" refers to a board member, business manager, administrator, or other person with the authority to enter into a contract or spend money in an amount greater than \$5,000.
2. "Interest in a contract" is when a District Official, the spouse of a District Official, or any other person with whom the District Official lives and commingles assets
 - a. is employed by a party of any contract with the district; or
 - b. receives more than nominal compensation or reimbursement for actual expenses for serving on the board of an entity that derives income or commission directly from the contract or acquires property under the contract.
3. "Direct benefit from a contract" is when a District Official, the spouse of a District Official or any other person with whom the District Official lives and commingles assets
 - a. is a party to or intended beneficiary of the contract between the district and a third party;
 - b. has more than a five percent ownership interest in an entity that is a party of the District contract;
 - c. acquires property under the contract with the District; or
 - d. receives compensation, commission, promotion, or other monetary benefit directly from the contract.

EXCEPTIONS:

If any of the following apply, disclosure (and authorization, if a direct benefit) is not required:

1. when the person's relationship to the contract is based solely on the value associated with the person's publicly-traded investments or holdings;

2. when the person's relationship to the contract is due to participating in a vote or a decision in which the person's only interest arises from an act of general application;
3. when the person does not receive compensation or a promotion directly attributable to the contract and is not employed in an area related to the contract;
4. when the contract is for the sale of goods or services, or for maintenance or repair services, in the regular course of business at or below a price offered to all customers;
5. when the contract is subject to a public bidding process;
6. when the contract is with the official depository as set forth in SDCL 6-1-3;
7. when the person only receives nominal income or compensation, a per diem authorized by law, or reimbursement for actual expenses incurred; or
8. when the contract or multiple contracts with the same party within a twelve-month period with whom the cooperative contracts in an amount less than five thousand dollars.

DISCLOSURE REQUIREMENT:

District Officials must disclose any interests and direct benefits received from contracts. However, waivers are only required for authorizing direct benefits. (Mere interests in a contract do not require board authorization.)

Conflicts of interest which extend into consecutive fiscal years must also be disclosed at the annual reorganization meeting.

All conflict of interest disclosures must be documented in the official board minutes.

BASIS FOR A WAIVER:

A waiver may be granted by the board to authorize District Officials to receive a direct benefit from the District's contract with a person or entity (public, private, for-profit, non-profit) if the following conditions are met:

1. That person provides a full written disclosure to the board. Written disclosure must include the following information.
 - a. all parties to the contract
 - b. the District Official's role in the contract
 - c. the purpose or objective of the contract
 - d. the consideration or benefit agreed to be conferred upon each party
 - e. the duration of the contract

2. To the extent that circumstances allow, disclosure must be given prior to entering into any contract that requires a waiver. If circumstances do not permit disclosure prior to entering into the contract, then the details must be disclosed within forty-five days after entering into it. If the contract extends into consecutive fiscal years, then disclosure shall also be made at the annual board meeting.

2. The board determines that the transaction and terms of the contract are fair and reasonable and not contrary to the public interest.

The public records laws (SDCL Ch. 1-27) apply to all requests for a waiver.

BOARD ACTION ON A REQUEST FOR WAIVER:

1. The District will have an agenda item at the beginning of each board meeting agenda when the board will address conflict of interest disclosures and requests for a waiver.

2. Disclosures and requests for a waiver submitted before the conflict of interest agenda item is acted on will receive action during the scheduled meeting.

3. Disclosures and requests received after the conflict of interest agenda item has been acted on will be deferred to the next scheduled meeting.

4. If the board believes the request form information is incomplete, the board must ask the person requesting the waiver for additional information. The board may receive the needed information from the requesting party at the board meeting when the waiver request is being addressed.

5. When considering a waiver request, the school should be able to determine the requesting party's relationship to the contract, the requesting party's relationship to the outside contracting party, whether the contract terms are reasonable and in the public interest, and any other factors the board believes will help establish the relevant facts and circumstances surrounding the contract (s) and the request for waiver.

6. At the meeting when the waiver request will be considered by the board, the District Official submitting the waiver request should be present and prepared to answer questions from the board.

7. The request and the Board's determination must be included in the minutes of the meeting.

8. If the authorization is granted, a written authorization shall be prepared following the meeting and signed by the President/Chair of the Board or other authorized Board Member, and filed with the Auditor General.

MISCELLANEOUS:

1. Knowingly violating the conflict of interest laws set forth in SDCL 3-23 is a criminal act. District Officials who do so will be removed from office or employment and are disqualified from holding any public office, elective or appointive. Additionally, any contract made in violation of this policy may be voided by the board of directors, and any benefits gained thereby are subject to forfeiture.
2. The district attorney may answer general questions about the applicability of SDCL Ch. 3-23 or about the other laws that address conflicts of interest. However, the cooperative attorney represents the cooperative and its board of directors, not District Officials in their individual capacities. District Officials should consult with their private attorneys if they have specific questions as to how conflict of interest laws and this policy apply to their individual interests and contracts.

EXECUTIVE SESSIONS

It is the Board's belief that educational matters should be discussed and decisions made, at public meetings of the Board to fulfill the rationale for the creation of public governing bodies.

However, the Board more properly discusses some matters in private session. The Board will make a motion to enter into executive session specifying the statute of SDCL: 1-25-2 and which reason as listed below 1 – 5. As permitted by law, an executive or closed meeting may be held for the sole purposes of:

1. Discussing the qualifications, competence, performance, character or fitness of any public officer or employee or prospective public officer or employee. The term "employee" does not include any independent contractor;
2. Discussing the expulsion, suspension, discipline, assignment of or the educational program of a student;
3. Consulting with legal counsel or reviewing communications from legal counsel about proposed or pending litigation or contractual matters;
4. Preparing for contract negotiations or negotiating with employees or employee representatives;
5. Discussing marketing or pricing strategies by a board or commission of a business owned by the state or any of its political subdivisions, when public discussion may be harmful to the competitive position of the business. All discussions will be considered confidential, but all official actions concerning the matters discussed will be made only at an open official meeting.

By the very nature of the matter discussed in closed/executive session, the matters discussed shall be kept confidential by the Board and individual Board members (and the administration, as agents of the Board) unless and until allowed to be disclosed publicly by the individual(s) to whom the discussion relates or unless and until authorized or required by law.

It is therefore the policy of the Board that the Board and Board members shall respect the right of privacy of District employees and students, and neither the Board nor individual Board members shall disclose nor convey confidential information regarding District employees or students, the knowledge of which was acquired during closed/executive sessions and except during closed/executive session, unless authorized or required by law to disclose the same.

An executive session may be held only upon a majority vote of the members of the Board present and voting. Violation of the "Open Meeting Law" can result in personal liability and potential criminal charges.

BOARD MEETING AGENDAS AND FORMAT

The school board is committed to conducting the public's business in public and providing community members an opportunity to observe and participate in school board meetings. In keeping with those commitments, and to provide for the orderly conduct of the district's business, the superintendent, in cooperation with the board president, will prepare board meeting agendas that outline matters to be brought to the school board's attention at meetings.

The district will attempt to accommodate anyone who may request to have an item placed on a board meeting agenda, provided the request is reasonable, timely and made in a manner consistent with board policy and board meeting procedures. Each agenda will reflect that the board reserves suitable time at each meeting to allow citizens to address the board.

The board will follow the order of business established by the agenda unless the order is altered or items amended by a vote of the board.

CONSENT AGENDA

To encourage efficiency during school board meetings, the school board may elect to use a consent agenda for items which usually do not require discussion or explanation. A consent agenda allows the board to consider and vote on certain items as a group with a single motion.

Any school board member may request to remove any item from the consent agenda. The request does not require a second or a vote by the school board. An item removed from the consent agenda will be discussed and acted upon immediately following the consideration of the consent agenda.

AGENDA FORMAT

At regular meetings, the following will be the customary order of business however the particular order may vary from meeting to meeting in keeping with the business at hand:

1. Call to order.
2. Roll call.
3. Establishment of a quorum.
4. Approval of minutes.

5. Consideration of claims (*a possible consent agenda item*).
6. Financial report.
7. Hearing of delegations.
8. Written petitions and communications.
9. Special committee reports.
10. Superintendent's report.
11. Policies.
12. Unfinished business.
13. New business.
14. Adjournment.

AGENDA PREPARATION AND DISSEMINATION

The agenda for all meetings of the Board will be prepared by the Superintendent in consultation with the Board President.

Items of business may be suggested by any Board member, staff member or citizen of the district. Any citizen that would like to be on the school board agenda should make the request to the superintendent at least 96 hours prior to the scheduled meeting. The request should state the topic of the agenda item and any other pertinent information that the board and superintendent should know in order to prepare for the agenda item. The agenda, however, will always allow suitable time for the remarks of the public who wish to speak briefly before the Board.

The Board will follow the order of business set up by the agenda unless the order is altered by a majority vote of the members present. Items of business not on the agenda may be discussed and acted upon if a majority of the Board agrees to consider the item. The Board, however, may not revise Board policies, or adopt new ones, unless such action has been scheduled.

The agenda, together with supporting materials, will be distributed to Board members at least 24 hours prior to the Board meeting to permit them time to give items of business careful consideration. The agenda will also be made available for public inspection in the business office 24 hours in advance of the meeting upon request.

To ensure the board has the information necessary to make informed decisions, the superintendent may prepare and disseminate information to supplement items on the boards meeting agenda. All members of the school board will receive the agenda and any related supplemental information in advance of the board meeting and with ample time to review the material.

To ensure the public has access to information that the board may use to make decisions, agenda-related supplemental information provided to all board members in advance of the meeting will be available for public inspection in the business office 24 hours in advance of the meeting and during the school board meeting. However, any information protected from disclosure by state or federal law shall not be disclosed to the public.

PARLIAMENTARY PROCEDURES SUMMARY

- To obtain the floor to speak your mind, first address the chairperson.
- To introduce a motion, say, "I move that... ."
- A motion may be withdrawn by the maker with general consent or by majority vote if objection to withdraw is made.
- To amend a motion, say, "I move to amend the motion by...." Ways of amending are:
 - a) Striking out parts of the motion;
 - b) Inserting one or more words;
 - c) Striking out and inserting; and
 - d) Substituting a new motion.
- To close discussion on a motion when everyone seems to have made up his or her mind, informally call for the question to be voted. Just say, "Question!" If others joint you in this request, the chair will call for a vote on the motion under discussion. The chair should avoid closing a discussion when members wish to speak. If a member calls out "Question," he or she must be supported by a majority in the judgment of the chair. The formal procedure is to say, "I move the previous question."
- This formal motion, if made subsequent to recognition by the chair, needs no second, is not debatable, and must be put to a vote immediately.
- A motion to reconsider a decision made by the board must be introduced by one who voted with the prevailing side in that previous vote, but is not in order if any part of the decision has been put into action.
- If the parliamentary procedure of the board is to be questioned, say, "Point of order!" The chair must allow you to state your point, and then he or she must rule on it – as taken or not taken. If the chair denies a point of order, his or her decision may be appealed and either upheld or not upheld by a majority vote.
- If you have a question to ask about a matter under discussion or a procedure to be followed, say, "Point of information!" The chair must allow you to state your question and see whether or not the information can be supplied.
- All members of the board, including the chair, should vote on all matters before the board. A tie vote does not gain a majority and means that the motion is defeated.

- A legal quorum or action requires the assent of a majority of those members voting.
- A school board is a public board and the vote of its official actions should be part of the published minutes. A roll call vote may not be necessary. E.g., if at the beginning of the minutes all those present are listed, later a list of those voting nay and any abstentions would be adequate. But it should be clear from the minutes how members of the board have voted. The business manager should rotate the person voting first on a matter before the board.
- Some boards provide for citizenry comment before committee reports and others just before adjournment. In any case, once citizens have their opportunity to speak, they should be allowed to address the board only upon invitation of the chair.
- The primary vehicle of action is through a main motion before it is acted upon. The chair may assist the mover with wording for clarity.
- Each motion may deal with only one issue or idea. A chair or a member can ask that a motion be rephrased or rewritten or divided into two motions if it deals with two or more different matters.
- Debate should follow, not precede, a main motion. A chair should require a motion to be stated and seconded before debate is allowed. A chair may allow general informal discussion, but not debate, before the motion.
- Debate must be limited to the issue at hand. Speakers who wander or attempt to enter new matters should be ruled out of order.
- No new main motions may be made while another is on the floor.
- Main motions may be amended. Votes on amendments must be taken before the original motion.
- No more than one amendment to an amendment can be allowed or accepted for discussion.
- Before a vote on a main motion is taken, business can be interrupted by a motion to:
 - a) Lay it on the table;
 - b) Postpone action;
 - c) Refer it to a committee;
 - d) Withdraw it from consideration; or
 - e) Adjourn the meeting.
- Debate can be closed formally with a subsidiary motion (to close debate or to move the previous question) and a 2/3 affirmative vote. In cases where the chair believes discussion to have ended, a vote on the main motion may be taken without a formal motion to close debate unless a member objects.

- Board members need not stand before speaking.
- A motion once voted down cannot be renewed at the same meeting of the board without the consent of a majority of the members of the board.
- When a blank is to be filled, the question shall be first taken on the largest sum, the greatest number, and the remotest day.
- If any member acts in any respect in a disorderly manner, it shall be the privilege of any member, and the duty of the President to call him or her to order.
- If any member considers himself or herself aggrieved by a decision of the chair, it shall be his or her privilege to appeal to the board, and the vote on such appeal shall be taken without debate.
- Members should not decline to vote on any question without weighty reasons, conflict of interest for example.
- When the chair has commenced taking a vote no further debate or remark shall be admitted, unless there has evidently been some mistake, in which case the mistake shall be rectified, and the chair shall recommence taking the vote.

VOTING METHOD

As the elected officials responsible for the governance of the school district, the board sets the direction for the school district through the establishment of policies and by taking other official actions.

It is the intent of the board that motions be carried by a majority of members elect. In the event, however, that board members must abstain from voting due to conflict of interest, board action may be taken if it is approved by the majority of members voting.

Votes on all motions and resolutions will be by “ayes” and “nays.” No secret ballots will be used.

At the discretion of the president or on the request of a member, a show of hand vote will be made and the vote of members will be recorded. Any member may request a roll call vote.

The minutes of the meetings of the School Board are the written permanent records of the school district. The business manager will keep minutes of all the official actions of the Board. The minutes will include:

1. A record of all actions taken by the Board, with the vote of each member recorded except in cases of unanimous votes.
2. Resolutions and motions in full. This will include a detailed statement of all expenditures of money, with names of persons to whom payment is made and service rendered or goods furnished; a detailed statement of receipts, and balance on hand; and expenditures and receipts of trust and agency funds.
3. A record of the disposition of all matters on which the Board considered, but did not take action.
4. The salaries of teachers and other employees will be published after the July organizational meeting.

The unapproved minutes will be available for inspection by any person within 10 business days after the meeting.

Within 20 days after a Board meeting, minutes of the meeting will be published in the local newspaper, as in accordance with law. The business manager will sign each legal publication submitted to the newspaper.

The Board will approve the minutes of every meeting within 45 days after that meeting. The presiding officer and the business manager will sign the minutes of all regular and special meetings after approval by the Board. PUBLIC PARTICIPATION AT BOARD MEETINGS

The Board welcomes citizens of the district to attend its sessions so they may become better acquainted with the operation and programs of the schools.

In order to assure that citizens who wish to appear before the Board may be heard, and, at the same time, conduct its meetings properly and efficiently, the following procedures have been adopted:

1. Citizens, who desire Board discussion/action on an item not on the agenda, will submit the item to the Superintendent's office, at least 5 days prior to the meeting of the Board, at which they wish for the item to be considered. The item will then be added to the agenda provided citizen and said item has followed the proper chain of command prior to making the request.
2. Presentations on agenda items should be as brief as possible. Unless an extension of time is granted, a speaker will be limited to five minutes.

The Board vests in its President or other presiding officer, authority to terminate the remarks of any individual when they do not adhere to the rules established above.

BOARD POLICY DEVELOPMENT

The Board considers policy development one of its chief functions. It is the intent of the Board to develop policies and put them in writing so that they may serve as guidelines and goals for the successful and efficient functioning of the public schools.

It is through the development and adoption of written policies that the Board will exercise its leadership in the operation of the school system; it is through study and evaluation of reports concerning the execution of its written policies that the Board will exercise its control over school operations.

It is the Board's intention that its written policies serve as guides for the discretionary action of those to whom it delegates authority and as a source of information and guidance for all persons who are interested in, and affected by, the district schools.

The policies of the Board are developed, and are meant to be interpreted, in terms of state laws, regulations of the State Board of Education, and other applicable county, state and federal regulations. The policies are also framed, and meant to be interpreted, in terms of those educational objectives, procedures and practices that are broadly accepted by leaders and authorities in the public education field.

Changes in needs, conditions, purposes and objectives will require revisions, deletions and additions to the policies of present and future boards. The Board will welcome suggestions for ongoing policy development.

PRELIMINARY DEVELOPMENT OF POLICIES

Proposals regarding school district policies and operations may originate at any of several sources: a parent, a student, a community resident, an employee, a member of the Board, the Superintendent, a consultant, a civic group.

A careful and orderly process will be used in examining such proposals prior to action upon them by the Board.

Final action on such proposals, whatever their source, will be by the Board in accord with its policy on policy adoption. The Board will take action on most matters on the basis of recommendations presented to the Board by the Superintendent. The Superintendent will base his or her recommendations on the outcomes of study and upon the judgment of the professional staff and study committees.

POLICY ADOPTION

Adoption of new policies or changing existing policies is solely the responsibility of the Board. Policies will be adopted and/or amended only by the affirmative vote of a majority of the members of the Board when such action has been scheduled on the agenda of a regular or special meeting.

To permit time for study of all new policies or amendments to policies and to provide an opportunity for others to react, proposed policies or amendments will be presented as an agenda item to the Board in the following sequence:

1. Information item – distribution with agenda (this may be an announcement that a policy is being developed in a particular area and that interested persons may submit suggestions).
2. Discussion item – first reading of proposed policy or policies; response from superintendent; report from any Board or advisory committee assigned responsibility in the area; Board discussion and directions for any redrafting.
3. Action item – discussion, adoption or rejection.

Amendments to the policy at the action stage will not require repetition of the sequence, unless the Board so directs. In instances, the Board may dispense with the above sequence to meet emergency conditions. Policies will be effective upon adoption by the Board. Once adopted, policies of the Board shall be distributed to the community, staff and students.

BOARD REVIEW OF REGULATIONS

The Board reserves the right to review administrative regulations at its discretion, but it will revise or veto such rules only when, in the Board's judgment, they are inconsistent with policies adopted by the Board.

Administrative regulations need not be approved by the Board in advance of issuance except as required by state law or in cases when strong community attitudes, or possible student or staff reaction, make it necessary or advisable for the regulation to have the Board's advance approval.

Before issuance, regulations will be properly titled and coded as appropriate to subject and in conformance with the codification system selected by the Board. Those officially approved by the Board will be so marked; all others appearing in this manual will be considered approved provided they are in accordance with the accompanying Board policy.

All policy manuals distributed to anyone will remain the property of the Board and will be considered as "on loan" to anyone, or any organization, in whose possession they might be at any time. They are subject to recall at any time for updating.

ADMINISTRATION IN POLICY ABSENCE

In the absence of Board policy specifically covering any action that the Superintendent feels he or she must take for the orderly execution of the Superintendent duties, he or she may take temporary action that he or she feels will be in harmony with the overall policy of the Board. However, the Superintendent will not be free to act when the action involves a duty of the Board that by law cannot be delegated.

In each case in which the Superintendent must take such action, he or she will present the matter to the Board for its consideration at its next meeting.

POLICY REVIEW AND EVALUATION

In an effort to keep its written policies up to date so that they may be used consistently as a basis for Board action and administrative decision, the Board will review its policies on a continuing basis.

The Board will evaluate how the policies have been executed by the school staff and will weigh the results. It will rely on the school staff, students and the community for providing evidence of the effect of the policies, which it has adopted.

1. The Superintendent is given the continuing commission of calling to the Board's attention all policies that are out of date or for other reason appear to need revision.
2. Each Board policy that is reviewed by the Superintendent shall be presented to the Board as part of the District's effort to continually review board policy.
